Dear Student,

Thank you for your request for an application form for the bursaries being awarded by New Brunswick Command Ladies Auxiliary to the Royal Canadian Legion.

As we have so many applications and so few awards, we assess your application on a point system. All information you submit is held in strict confidence, so please be careful to answer **ALL** questions correctly and provide us with complete and accurate information. As we do not know you personally, we must assess your application on it's merit alone.

If you have completed high school and are presently attending college, university, or a technical institute, please include your high school graduation marks, as well as your university marks for the term just completed. Marks **MUST** accompany your completed bursary application. If you have worked since graduating from high school, please write and attach a summary of the intervening time.

Should you be chosen to receive one of our awards, you will be notified by mail and will be requested to send a certified copy of your acceptance to the college, university, or technical institute.

Best wishes in your chosen field.

Yours truly,
Joyce Spence
Bursary Chairman
